

Carnegie Vanguard High School PTO Scholarship

The Carnegie Vanguard High School PTO Scholarship congratulates the Class of 2008. This year the PTO Scholarship Committee is awarding two \$500 scholarships. These scholarships are not just for those with the highest GPA or for the student with the most need. The committee will use a set of criteria used to make their decision, so everyone has a chance to win one of these scholarships.

The criteria for submitting the attached application is:

- 1) The application must be typed or printed in black ink and legible.
- 2) Follow the directions exactly as written.
- 3) No applications will be accepted after the application deadline.

Return the application in a sealed envelope to Ms. Chapman no later than 3:45pm on Friday, April 4, 2008. The scholarship committee will be conducting brief interviews with the applicants the week of April 14th. The winners will be announced at the Spring Banquet on May 19th. If you have any questions, please call Kathy Butler at 713-526-5677 or Angela DeSilva at 713-627-5204 or email either of them at kathy@butlerharris.com or amdesilva@spectraenergy.com, respectively.

We look forward to meeting with you.

Part I: Short Answer Question

A. Please answer the following question in no more than one double-spaced typed page.

Why do you deserve this scholarship?

B. If you wish, you may also answer one of the following questions, again in no more than one double-spaced typed page

What do you believe has been your greatest accomplishment and why?

What is your passion?

What current public figure would you describe as a personal hero and why?

If any of these is the essay question you used for a college or scholarship application essay, it is okay to use it again for this application. Just make sure that it is no longer than one page.

C. To help us with future applications, please list a question that you wish we had asked.

Part 2: Activities

We would like to know about your extracurricular activities, community service, talents/awards/honors, and employment, internships, and/or summer activities. Include the name of the organization (no initials), a description of the activity, any leadership positions, dates, and the number of hours of participation (per week or per activity, if short term). It is preferred that this be done in a table or list form. If you have already done this for your college applications, it is okay to attach a copy of that application. If you have a resume, it is okay to use that as long as it includes the required information.

Remember! Your application must be in Ms. Chapman's office and in a sealed envelope to no later than 3:45pm on Friday, April 4, 2008.
